

HAND-FORGED IN MEMPHIS, TENNESSEE - SINCE 2009

BLACK MAMBA KNIVES

WHOLESALE & TRADE CATALOG

Edition 2026 | 603 models | Prices in USD

TIERED VOLUME PRICING | LOGO ENGRAVING | PRIVATE LABEL & OEM

Every blade is forged, ground, heat-treated and finished by our own smiths in the United States. This catalog lists every model in production with retail and volume pricing, so you can build an order and know your landed cost before you ask for a quote.

blackmambaknives.com | 3733 Lamar Ave, Memphis, TN 38118, USA

How wholesale pricing works

Every model in this catalog is available at wholesale. The price columns beside each knife show our published retail price (MSRP) and the unit price at three order bands. Bands are counted across the whole order, not per model - mix any models you like to reach the next tier. The only rule is a minimum of 5 pieces per style, so a 50 piece order can be 10 styles at 5 each, or 5 styles at 10 each.

TIER	TOTAL PIECES	UNIT PRICE	WHAT IT INCLUDES
Sample	1 - 9 pieces	MSRP	Evaluate steel, edge and finish in hand before committing to a run.
Starter	10 - 24 pieces	30% off MSRP	Wholesale pricing begins. Logo engraving available on the whole order.
Growth	25 - 99 pieces	40% off MSRP	Mixed models in one order, scheduled re-stock, priority production.
Volume	100 - 499 pieces	50% off MSRP	Custom packaging, dedicated production slot, staged delivery.
OEM	500 + pieces	Quoted per project	Full private label, custom design development, signature runs.

Minimum order

There is no single figure. Minimums depend on the model, the steel, the handle material and the level of customization, and are confirmed on your quote. Each style must be at least 5 pieces, and your tier is set by the total across the whole order, not by how many of each model.

Logo engraving & private label

Company logo, custom text, dates and batch or serial numbering on blade or bolster. Artwork proof approved by you before a single blade is cut. Full private-label and OEM production available.

Shipping

Shipped worldwide, insured and tracked, from Memphis, Tennessee. Freight on trade orders is quoted with your order.

Warranty & returns

Lifetime warranty against defects in materials and workmanship. Stock models carry a 7-day return window; engraved and private-label work is made to order and non-returnable.

Lead times

Catalog models held in stock dispatch in 1 - 3 business days. Because every knife is individually forged and finished by hand, production time for bulk and custom runs is confirmed with your quote.

Packaging

Standard gift-ready box and, where the model includes one, a hand-stitched leather sheath. Custom packaging and branded inserts available from the Volume tier.

Payment

Quote, proforma invoice, then production. Deposit terms for large and custom runs are set out on the quote.

Samples

Sample orders are welcome before you commit to a run, charged at the 1 - 9 piece band.

What you can specify

Blade steel

Hand-forged Damascus, 440C stainless, D2 tool steel, high-carbon and VG10 super steel - chosen to suit the price point you need to hit.

Handle material

Buffalo and carabao horn, stag horn, kamagong and narra wood, brass and copper bolsters, resin and composite scales.

Marking

Logo engraving, company name, custom text, dates, and batch or serial numbering on the blade or bolster.

Presentation

Sheath options, gift boxes, branded inserts and custom packaging designed around how the knife will be handed over.

Who we supply

Outdoor & hunting retailers • Tactical & EDC stores • Gift and souvenir shops • E-commerce & marketplace sellers
Corporate gifting programs • Promotional product distributors • Chef & hospitality suppliers • Private-label brands

To order or request a quote

Send us the model codes (SKU) and quantities from this catalog, plus any engraving or packaging requirements and the date you need the order landed. We come back within 24 hours with tier pricing, lead time and a proforma invoice.

How to read each entry

Model name	The name as it appears on our website, so you can look up full photos and reviews.
SKU	The code to quote when you order. Every entry has one.
Specification	Overall and blade length, steel, handle material and what is included in the box.
MSRP	Our published retail price. Use it to set your own shelf price.
10-24 / 25-99 / 100+	Your unit cost at each order band, counted across the whole order.
